

WE WANT YOU

TO JOIN IN GREENING GREENPOINT!

GCEF Community Open House

The Greenpoint Community Environmental Fund's investment of **over \$54M** in Greenpoint's environment is underway and helping to transform our community!

On Saturday, April 30th, join your friends and neighbors in learning more about GCEF's 30+ environmental projects—**and how you can join them in greening Greenpoint.**

For a full list of GCEF projects, visit GCEFund.org

The Greenpoint Community Environmental Fund is a joint program of the New York State Office of the Attorney General and Department of Environmental Conservation.

GCEF Projects include those that are...

Educating the next generation of environmental champions

Revitalizing our parks and sustaining community gardens

Reconnecting our community to its waterfront

Greening our local industrial and manufacturing businesses
